

# Universal Infant Free School Meals

**Are you aware that under government legislation all children in Key Stage 1 are entitled to a free school meal.**

That means you could **make a saving of £165 per term** if you were to pay for a school meal and approx. £130+ per term for a packed lunch from home plus saving time from the hassle of making it daily.

**Speak to your school office today or look online for the school lunch menus**
